Puppet 4 What's wrong guys?

Puppet 1 You're lucky and we're not.

Puppet 2 My stomach is empty.

Puppet 4 (*looking inside Puppet 3's ears*)

Ticks and fleas! It seems like you are a flea taxi!

Yes, you're right. I'm lucky and I know it.

What you all need is a guardian.

*Learners 'in the audience' who haven't had a part to play yet, stand up and chorus:*

**We're here!**

**You've found us!**

**We're the Guardians!**

*Learners all bow. Then they chorus:*

**We are good Earth-keepers and Animal Guardians.**

***Thank you for watching our show.***
